RESPONSE TO NOTICE OF NON-COMPLIANCE WITH 37 C.F.R. §1.192(c)

Honorable Commissioner of Patents and Trademarks
P.O. Box 1450
Alexandria, VA 22313-1450

Sir:

In regard to the outstanding Notification of Non-Compliance with 37 C.F.R.

1.192(c) of October 15, 2003, (Paper No. 36), Applicant submits the following remarks.

No fee is believed to be due in connection with this response. If, however, any fee is deemed to be payable, you are hereby authorized to charge any such fee to Deposit Account No. 20-0778.

REMARKS

This is a full and timely response to the Notification of Non-Compliance of October 15, 2003. Submitted herewith is an Amended Appeal Brief complying with the requirements made in the Notification of Non-Compliance. Applicant respectfully requests that the Patent Office accept the accompanying Amended Appeal Brief for consideration by the Appeal Board.

In the Notification of Non-Compliance, it is alleged that “the brief does not identify the appealed claims.” Applicant has amended section III entitled “Status of the Claims” to recite that the final rejection of claims 26 – 29 is appealed. Applicant respectfully requests that the objection to the Status of the Claims section of the Appeal Brief be withdrawn.

It is further asserted in the Notification of Non-Compliance that the “brief does not contain a concise statement of the issues presented for review.” Applicant has amended section VI entitled “Concise Statement of the Issues Presented for Review” and believes this section complies with MPEP §1206. Applicant respectfully requests that the objection to the Concise Statement of the Issues Presented for Review section of the Appeal Brief be withdrawn.

The Notification of Non-Compliance objects to section VII entitled “Grouping of the Claims” for containing an informality. To overcome this objection, Applicant has amended this section to reflect that the claims are clearly divided into three claim groups. Applicant respectfully requests that the objection to the Grouping of the Claims section of the Appeal Brief be withdrawn.

For at least the foregoing reasons, Applicant requests that the objections to the Appeal Brief be withdrawn and that the Patent Office accept the Amended Appeal Brief for consideration. If the Examiner has any questions or comments regarding this paper, the Examiner is encouraged to telephone the Applicant's undersigned counsel.

Respectfully submitted,

Adam E. Crall
